BUDGET TOTALS FROM THE CONCURRENT RESOLU-
TION, FISCAL YEAR 2006

DECEMBER 15, 2005.—Ordered to be printed

Mr. COCHRAN, from the Committee on Appropriations,
submitted the following

REPORT

The Committee on Appropriations submits the following report revising the section 302(b) allocations to subcommittees set forth in Senate Report 109-77 (June 9, 2005) and revised in Senate Report 109-95 (June 29, 2005), Senate Report 109-115 (July 28, 2005), Senate Report 109-176 (November 10, 2005), and Senate Report 109-184 (November 18, 2005).

The original section 302(a) allocations to the Committee on Appropriations are contained in the joint explanatory statement accompanying the conference report on the concurrent resolution on the budget for fiscal year 2006 (H. Rept. 109-62). On May 26, 2005, the Committee on the Budget filed revised allocations (Congressional Record pages S6011-6013). Both the original and the revised allocations covered both fiscal years 2005 and 2006. None of the allocations included an explicit allocation to the Committee on Appropriations of mandatory spending contained in appropriations Acts.

On June 22, 2005, the Committee on the Budget filed a revised 302(a) allocation clarifying that the allocation to the Committee on Appropriations includes both mandatory and discretionary spending (Congressional Record page S7064).

On July 28, 2005, the Committee on the Budget filed a revised allocation for the Committee reflecting an additional \$755,000,000 in budget authority and \$755,000,000 in outlays. These amounts were allocated pursuant to section 404 of House Concurrent Resolution 95, the concurrent resolution on the budget for fiscal year 2006, which mandates an increase to the Committee's allocation when certain conditions relating to funding for continuing disability reviews, for health care fraud and abuse control, for review of unemployment insurance payments, and for tax compliance are met (Congressional Record pages S9274-9275).

On December 14, 2005, the Committee on the Budget filed a revised allocation for the Committee reflecting an additional \$4,300,000,000 in budget authority pursuant to section 303 of House Concurrent Resolution 95, the concurrent resolution on the budget for fiscal year 2006, which mandates an increase to a Committee's allocation when certain conditions relating to the Pell grant program, are met. The revised 302(a) allocation also reduces both reflecting a reduction of \$309,000,000 in budget authority and \$309,000,000 in outlays. These amounts had been allocated pursuant to section 404 of House Concurrent Resolution 95 but are now withdrawn.

Section 302(e) of the Congressional Budget Act of 1974, as amended, provides that at any time after a committee reports its allocations such committee may report to its House an alteration of such allocations. This report is submitted pursuant to this section.

The allocations for fiscal year 2006 set forth below contain both mandatory and discretionary subdivisions.
